

Diocese of Shrewsbury: Welfare Officer Job Vacancy

This new post has been created following the success of the pilot phase of the Our Mission Together fundraising campaign, which has provided the funding for this much needed support worker. The Campaign Advisory Committee are grateful for the generosity of the faithful in the seven pilot parishes which has enabled the post to be created so quickly.

The successful candidate will support retired priests in living an independent, dignified and fulfilling life, to help them adapt to a life of retirement, and supporting those who require additional assistance through age or infirmity, as well as assistance to any priest still in ministry who requires similar support through periods of prolonged ill health.

The closing date for replies is Friday 30th September 2016. CVs to be sent to Pauline McCulloch – Pauline.mcculloch@dioceseofshrewsbury.org. For more info, please see job specification in porch.

Bishop Mark – Parish Visit to St. Teresa's This Weekend

This weekend we are delighted to welcome Bishop Mark Davies to our parish. He will be celebrating all the masses with us (on the Saturday evening & on the Sunday morning), and will be joining us for tea & coffee in the parish hall after 10.30 am mass on the Sunday morning. All are very welcome.

Parish Hall Roof Repair

There have been several internal water leaks in the parish hall during periods of heavy rain. After consultation with a roofing contractor, it was found that the parish hall roof is in need of significant repairs, with the four main roof gutter channels in need of replacement. A fund has been started.

Use of the Parish Car Park

As we all accept, the car park is available for the use of parishioners and from those from neighbouring parishes. There is no time limit on parking but it has been understood that, because of restrictions on space, parking should be short term rather than long term. That is not an absolute rule, but only in unusual circumstances should parking be long term. Equally, at Mass times it has been understood that those going to Mass should have a priority over others. Again, there is no rule, but consideration would be appreciated.

Finally, when using the parish car park (outside times of mass) could you please ensure that you both display your car park pass & close the barrier after entering & on leaving so as to minimise abusive parking. Thank you.
